### Welcome to PetroVest Capital Corp. -Mission Statement

PetroVest Capital Corp is a Calgary based oil company focused primarily on the exploration & production of the Powder River Basin Deposit located in Wyoming USA and the 8 Quad Energy Properties

PetroVest will use the following exploration criteria on each prospect to assure high profitability and a high rate of return on capital investment.

**Each exploration prospect must exhibit:**

- A minimum of three zones with hydrocarbon potential
- Each zone must show the potential for:
  - 10:1 profit to capital risk ratio
  - A minimum of 30 percent rate of return on capital invested
  - A minimum reserve life of 15 years

PetroVest also makes extensive use of state of the art 2-D and 3-D seismic technology in order to identify and confirm potential drilling locations.

The Company's strategy is to focus on properties that will provide long-term reserves, which will generate revenue and cash flow in both the near- and long-term.

PetroVest will continue to increase its production base through land acquisitions, exploratory and development drilling "Through the Drill Bit", along with corporate mergers and acquisitions that will contribute to the overall growth and development of the Company.
