

Stone HedgeFX

Building Bridges Into our Future...

Welcome to Stone Hedge FX

"The Company was founded on principles of providing absolute returns through full transparency." Our first goal is the customer satisfaction and the continuity of relationships, instead of a high client turnover. Stone Hedge FX is a manager of brokerage secured forex accounts. Our clients control their own accounts at all times, and can withdraw any amount at any given time. Accounts can be tracked 24/7, for balance, equity, statements, transactions, and fees, all in real time. [More >>](#)
