AND IN THE MATTER OF

FINANCIAL SECTOR ISSUERS
(as detailed on Schedule A attached)

DECISION

WHEREAS on 19 September 2008 the Ontario Securities Commission issued an order under section 127 of the Ontario *Securities Act*, R.S.O. 1990, s. S.5, which was amended on 22 September 2008 (Ontario Order) temporarily prohibiting any short sale in any common equity securities of the financial sector issuers listed in Schedule A (the Financial Sector Issuers).

AND WHEREAS under subsection 195.5(1) and subparagraph 184(1)(c)(i) the Commission is empowered to make a decision regarding a person, trade or security on the basis that an extra-provincial securities commission has made a substantially similar decision regarding the person, trade or security;

AND WHEREAS the Commission is of the opinion that it is in the public interest to make a decision on the same terms as the Ontario Order;

NOW THEREFORE IT IS THE DECISION OF THE COMMISSION pursuant to subsection 195.5(1) and subparagraph 184(1)(c)(i) of the *Act* that, for as long as the Ontario Order (as from time to time extended or made permanent) remains in effect, trading that constitutes a short sale (as defined in Schedule B) in the securities of the Financial Sector Issuers is prohibited, unless the short sale is:

1. conducted in accordance with UMIR Rule 3.1 *Restrictions on Short Selling*, sections 2(a), (b), (d) and (g) provided, however, a dealer fulfilling market maker obligations (market maker) may not effect a short sale in the common equity securities of the Financial Sector Issuers if the market maker ought reasonably to know that the client's or counterparty's transaction will result in the client or counterparty establishing or increasing an economic net short position (i.e.

through actual positions, derivatives, or otherwise) in the issued share capital of a Financial Sector Issuer covered by this Decision;

2. conducted by a registered dealer acting as principal to facilitate a transaction with a client that has a current market value of \$200,000 or more in a single transaction, or in several transactions at approximately the same time, provided that the position is liquidated or hedged as soon as possible.
3. conducted in order to comply with the UMIR Rule 5.2 *Best Price Obligation*;
4. conducted by a person or company as a result of the automatic exercise or assignment of an equity option, or in connection with a settlement of a futures contract, held prior to the effectiveness of this order decision due to expiration of the option or futures contract;
5. a sale of a security identified in paragraph (g) of Schedule B, where the security is beneficially owned by the seller and the sale is made under an exemption from the prospectus requirements in accordance with applicable securities legislation; or
6. conducted to adjust a pre-existing hedged derivative position in order to maintain the risk exposure that existed at the time the Original Decision became effective.
